**DETAILED ACTION**

1. Claims 1-14 are presented for examination

***Election/Restrictions***

2. Restriction is required under 35 U.S.C. 121 and 372.

This application contains the following inventions or groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1.

In accordance with 37 CFR 1.499, applicant is required, in response to this action, to elect a single invention to which the claims must be restricted.

Group I, claim(s) 1-4, drawn to glutathione-containing therapeutic compositions.

Group II, claim(s) 5 and 6, drawn to Scutellaria root extract-containing therapeutic compositions.

Group III, claim(s) 7 and 8, drawn to linden extract-containing therapeutic compositions.

Group IV, claim(s) 9 and 10, drawn to clove extract-containing compositions.

Group V, claim(s) 11 and 12, drawn to Geranium herb extract-containing compositions.

Art Unit: 1651

Group VI, claim(s) 13 and 14, drawn to rosemary extract-containing compositions.

3. The inventions listed as Groups I through VI do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons:

Each of the groups recite a different product having different ingredients. Thus, a reference anticipating one of the groups would not necessarily anticipate or even render obvious any of the other groups. In such a situation a general inventive concept clearly is not present.

4. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

5. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must

be accompanied by a petition under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(I).
